

UNIVERSAL BELTING RESOURCE
Working Through Distribution

ANNOUNCEMENT

“PURclean PS2BLSP50 Blue”

1” Positive Drive Bottom

#453400

P50 Hi-release Top Structure

Features / Applications

- * “Round oval” top profile helps to break surface tension of small wet leafy greens, diced food and other items

Benefits

- * Positive drive bar bottom eliminates drive slip while top side reduces carry back & product loss for great savings
