Our FMU foam cover provides great grip for positive feeding of the carton blanks while helping to prevent damage to delicate or high end cartons with sensitive coatings

Our NTR Red natural rubber coverings are available in 38 and 60 durometer for balancing optimum grip with durability for the longest life and greatest performance

Developed by Universal Belting Resource to outperform the competition!

Contact our customer service department with your required size for a prompt Feeder Belt quote or regarding any other Special Cover Engineered Belting products you may need.
